**I**t's So Simple... We should have thought of it sooner. Take a 75 year old building, give the interior the feel of home... Full of antiques and crafts. Add the smell of mouth watering, smoked to perfection Brisket, Ribs, Sausage, Turkey, and Chicken. Include “Braggin’ Rights” Chicken Fried Steak, burgers and sumptuous salads, and you have the best tasting food this side of the Pecos!

**I**t's so Much Fun... We sometimes forget to talk about the food. Kick back and enjoy the heirloom atmosphere of the historic old NBC (National Building Centers) building originally built in Downtown New Braunfels on Castell Avenue and moved many years later to its present location. And to add to the fun, board games from giant checkers to chess, all help make this a “happening kind of place.”

**I**t's So Good... River City Catering continues the tradition by bringing exceptional planning expertise as well as superior catering to any event... Corporate Events, Weddings, Anniversaries, Birthdays, Church or Civic Functions, Charity Galas... the list is endless. Whether you are hosting an intimate backyard affair, or a huge dinner, count on River City Catering to arrange an event that is unmatched in quality, style, value and service. Our care and flair will make your event memorable!

**I**t's So Much Food... You'll think we've gone crazy. So whether you Dine In, Take Out, or have your event catered, hit the trail to old River City Café to experience the legendary dining from which Tall Texas Tales are made!

**See the blackboard or ask you server for  
daily vegetable, entrée or soup offerings!**
